## How to get there?

Take the U1 Metro until Station Kaisermühlen / Vienna International Center (VIC).

Get out at the exit facing the river (Donau, Danube). You will see a big glass and steel office building and "Techgate" written on it. In case you get lost, give us a call!

In the map above, follow the green pedestrian way.

Also, there is a google map at <http://tinyurl.com/c8e5gm>

## Wifi Access

We will have WIFI there and 100mbit fibre.

## Reserved Hotels

Less important than WIFI access but still nice to have: a sleeping possibility!

We reserved an allotment of 20 rooms for the OLSRInterop09 in Vienna at the "NH Danube City" Hotel:

NH Danube City

<http://www.nh-hotels.com/nh/en/hotels/austria/vienna/nh-danube-city.html>

Wagramer Strasse 21. 1220 Vienna (Austria) Tel. +43 1 260 200

The **reservation keyword is "OLSR Interop 09"**.

The rooms are quite pricy at 200,- per night. The advantage of the NH Hotel is that it is just 5 walking minutes away from our meeting place.

With the NH Hotel the guests have to confirm the reservation until 3 weeks before the Interop meeting: until the 9th of Sept. They will have to give the hotel a credit card number as guarantee for reservation. Any room not confirmed after the 9th of Sept will not be reserved anymore.

So in case participants want to stay at the NH hotel, it is wise to confirm the reservation this coming week.

Please note that beginning of Oct is a very busy (congress-) time in Vienna. We highly recommend to get a room ASAP. Of course feel free to also look for other hotels in the area.

We can also recommend the cheaper pension Stadtpark: <http://www.pension-stadtpark.at/> - a bit further away but still very central for 55 euros/night.

Here is a map of the area including the NH Hotel

This map is public, feel free to add any places of interest.

## How to get to Vienna from the airport?

Local Vienna Airport info: <http://www.viennaairport.com>

The easiest solution is to take the CAT train (green train, there are lots of signs at the exit) to Wien Mitte / Landstrasse.

To get to Techgate, take the U4 from Wien Mitte direction Heiligenstadt, change at Schwedenplatz to the U1 direction Leopoldau. Get off at VIC.
